Happy Holidays!

PTO

The numbers are in for the Fall Festival: 2,077 people attended, an increase of 19% over last year, and net income was US\$2,600.00. The income figure is the same as 2009; however, this year we made significant investments in fabric and other items for game/activity construction that will be used year after year. 23 High School service clubs took part and kept 100% of their earnings. Once again, thank you to all the parents, students, and teachers who volunteered their time to make this year's Festival such a success.
