

American Nicaraguan School
Summer Reading Assignment
2008-2009 8th Grade
Mr. Radetich

Directions:

1. For your summer reading assignment, you must go to the library and check out the book, The Pearl, by John Steinbeck.
2. On the first day of class, you must turn in a 2 page (one page/front and back) written response to the book. Your paper should focus on the themes in the book, and how those themes affect you in your daily life.
3. We will also have a quiz during the first couple of days of school dealing with the plot of the story.

This will be the first assignment of the quarter, so make a wise choice, and let's not start next year by digging a hole for ourselves. Have a great summer and I'll see you in August.
